

NAOS 400 is a collection of pendant lamps designed by Alex&Manel Lluscà. Modern and industrial in style, the series has two sizes. The light is projected both through the shade and from the frosted glass diffuser located on the upper part. Between the shade and the diffuser is a decorative metal ring that is included in the white and terracota finishes. This is the version with a 40 cm diameter.

## General characteristics

Fixation	Ceiling
Type	I
IP	20
voltage	100V-240V
Hertz	50/60Hz
Cable length	1800 mm
Max. Power	15W

## Material

Body/Structure	Steel + Glass
Diffuser	Glass
Screen	Steel

## Finish

Body/Structure	Beige+Terracotta
Diffuser	Opal

## Lighting characteristics

Light source included	No
Light source	E27
Light direction	Ambient lighting
